

Annual Gifts Program

Why does Broward Health need my help?

Broward Health is a community health system that serves everyone who comes through its doors, regardless of their ability to pay.

The current demand for medical care far exceeds available funding. Broward Health is a tax *assisted* healthcare system, not tax supported. Taxes are only used to cover uncompensated health care (charity care).

- Only about 16% of Broward Health revenues come from taxes, which is not sufficient to provide for all of the medical care needed by the thousands of Broward County residents who have inadequate health insurance or none at all.
- Last year, Broward Health provided more than \$330 million in charity care, representing more than 80% of all the charity care delivered in Broward Health's service area.

How will my contribution be used?

The Broward Health Foundation is committed to raising private contributions to help Broward Health meet critical needs that fall outside the scope of its annual operating budget. Current priorities include:

- The renovation and expansion of the children's hospital;
- Upgrading medical equipment at each of the hospitals;
- Enhancing programs and services vital to the health and well being of our patients.

It is through the generosity of donors that Broward Health is able to further its vision, providing world-class health care to everyone it serves.

A Healthy Future
for Our Community
Is In Your Hands

Your Support Makes Our Community Stronger Every Day

With the cost of patient care rising each year and an increase in uninsured patients, Broward Health increasingly depends on annual gifts to help meet its challenges. The Broward Health Foundation is deeply grateful to the many individuals, corporations and organizations that generously support the hospital system each year.

The Foundation supports the mission and goals of Broward Health by raising financial support for programs and services that improve the health and well being of the entire community. Broward Health encompasses more than 30 facilities, including:

- Broward General Medical Center
- Chris Evert Children's Hospital
- Coral Springs Medical Center
- North Broward Medical Center
- Imperial Point Medical Center
- Broward Health Weston

Your tax-deductible gift is an investment in our community's future. Contributions may be directed to a specific facility or designated to the greatest need. Gifts may also be made in honor of special occasions or in memory of a loved one.

Annual Gifts at Work

The following are just a few examples of how contributions are making a difference in the lives of patients every day:

- New hospital beds for pediatric patients
- Mammograms for women who cannot afford them
- Medication and durable medical equipment for hospice patients
- Renovations in patient care areas
