*The Broward Health Foundation is embarking on a \$110 million fundraising campaign to renovate and expand Broward Health Chris Evert Children's Hospital. The need is great.*

*All proceeds from the 19<sup>th</sup> Annual Broward Health Foundation Golf Tournament will benefit the Chris Evert Children's Hospital, located at Broward General Medical Center in Ft. Lauderdale.*

*Over the last year, Chris Evert Children's Hospital has treated more than 20,000 patients and more than 26,000 children have been cared for in the emergency room. By sponsoring the 19th Annual Broward Health Foundation Golf Tournament, you are helping to provide critical resources to our communities' most vulnerable patients.*

*While the staff works very hard to create a comfortable and family-friendly environment, support from the community is needed to assist with expanding and renovating the hospital. The new renovations will create a more patient-friendly, integrated, high touch and high technology hospital for children and their families. Thank you for your support.*
