EMPLOYEES ARE AT THE HEART OF IT ALL

The Give from the Heart Employee Giving Campaign celebrates a long-standing culture of philanthropy at Broward Health and our commitment to improving the health and well-being of our patients and our community. As a Broward Health employee, you are at the heart of it all. Whether you champion patients at the bedside or from behind a desk, your efforts make a significant impact on Broward Health's ability to provide the highest quality patient-centered care in our community.

2021 GIVE FROM THE HEART EMPLOYEE GIVING CAMPAIGN

In addition to providing Broward Health employees with the opportunity give to a Broward Health facility, this year's campaign also raises funds to help fellow Broward Health employees and gives back to the community through United Way. Employees choose how to direct their gifts:

- **Broward Health Facility of Choice**
Provides unrestricted dollars that benefit the Broward Health facility of your choice, including all hospitals, Broward Health Foundation, Community Health Services, Hospice/Home Health and Children's Diagnostic and Treatment Center.
- **Broward Health Employee Emergency Relief Fund**
Provides financial assistance to Broward Health employees who are experiencing a financial hardship or crisis. This fund enables employees a mechanism to make donations that benefit fellow team members in need.
- **United Way of Broward County**
Provides support to hundreds of programs in Broward County that address the health, education and financial stability of every person in our community.

HOW TO CONTRIBUTE

The easiest way to support the campaign is through a payroll deduction pledge. You may also make a one-time gift with a check, credit card or personal leave (PL) donation. Employees may donate online by visiting MyPlace. Paper pledge forms are also available.

Please take this opportunity to join fellow employees and consider supporting the Give from the Heart Employee Giving Campaign today. Thank you for being generous employees of Broward Health.
